Andrew is a Managing Director for Fenix Financial Forensics LLC (F3) who has over 20 years of experience providing forensic accounting and expert witness services to counsel and companies involved in investigations and complex commercial disputes, including litigation and alternative dispute resolution proceedings. His practice focuses on performing complex investigations and assessing economic damages across a variety of types of matters including breach of contract, class action, post-acquisition disputes, intellectual property disputes, business valuation, construction cost/delay claims, antitrust, employment, wrongful death and personal injury.

Andrew also has significant experience in preparing affirmative and rebuttal expert reports, providing assistance to counsel with respect to discovery, and assisting counsel in preparing for depositions and direct and cross-exam trial testimony. Andrew has been retained as an expert witness on several occasions on matters including breach of contract, breach of fiduciary duty, intellectual property claims, wrongful termination, and insurance claims.

Andrew's experience includes manufacturing, real estate, energy, construction, financial services, pharmaceuticals, and multi-level marketing among other things.
