Brent is a Senior Managing Director for Fenix Financial Forensics LLC (F3) who has more than 24 years of experience, focusing in litigation, healthcare, and financial and regulatory consulting, including investigations. His experience includes providing forensic accounting related to investigations and disputes, computing damages, and preparing expert witness reports for litigation and arbitration proceedings. Brent also has significant experience preparing financial models and performing economic analysis with respect to disputes and feasibility studies.

Brent has many years of experience in the healthcare industry. His healthcare experience includes regulatory and financial statement auditing, fraud and investigation consulting, Medicare cost report preparation and auditing and Medicare reimbursement consulting.

In addition to healthcare, Brent's industry experience includes telecommunications and voice over internet technology, laboratory services and pharmaceuticals, real estate, professional sports, manufacturing, governmental services, consumer products including multi-level marketing, manufactured homes, equestrian and railway industries. Brent also has extensive experience handling employment/wrongful termination, personal injury and medical malpractice cases.

Prior to establishing F3, Brent was a Managing Director at FTI Consulting, Inc., a Director with KPMG LLP in the Dispute Advisory Services Practice, and a Director in the Business Consulting Practice of Arthur Andersen LLP.
